Every course is sold in two modes: Full Test (10 full whole-syllabus tests, ₹1,500) and Part Test (one topic at a time, 50 questions per topic). Part Test can be bought topic by topic at ₹99 each, or all at once with the All-Topics Pass covering all 21 topics at ₹1,900.

Overview

Mode	What a test is	Best for	How it is sold
Full Test	100 questions from every topic, 2 hours	Exam rehearsal, overall rank	One plan: Full Test Series (10 full tests), ₹1,500
Part Test (topic-wise)	50 questions from one topic, 60 minutes	Learning and fixing weak topics	Per topic ₹99, or All-Topics Pass (all 21 topics) ₹1,900

The two modes share one question bank and one analytics engine. Full Test measures readiness; Part Test builds it, topic by topic.
